

## Mount Hood National Forest-Zigzag Ranger District

### *Interpretation & Conservation Education Program*

#### **November 2011**

**Timberline Lodge Tours:** Join a U.S. Forest Ranger for a 30 minute tour of historic Timberline Lodge. Explore the rich history of the Lodge and all that it has to offer. Tours are free and available to everyone.

Friday-Sunday at 11:00, 1:00, and 2:00

**Government Camp History Hike:** Accompany a U.S. Forest Service Ranger on a 2.5 mile round trip tour of Government Camp and the surrounding area. This hike will take participants through beautiful downtown Government Camp and into the forest above. Explore the rich history of Government Camp from the first settlers to the ski and snowboard industry boom.

Available upon request for booking. Call/email Jonathan Schillo at [503-622-2016](tel:503-622-2016)/[jdschillo@fs.fed.us](mailto:jdschillo@fs.fed.us). Please make contact two weeks prior to the desired booking date.

**The Civilian Conservation Corps in Zigzag, OR:** Want to learn more about the development of the Zigzag area? Participate in our History of the Civilian Conservation Corps Program in Zigzag. The program details the history of the C.C.C. in Oregon and covers a selection of life stories of the men that served in the C.C.C. at Camp Zigzag. The program will also provide an overview of the history of the Oregon Trail and more specifically the Barlow Road, which is located in close proximity to the Zigzag Ranger Station. Lastly, the program will detail the role of the C.C.C. in the construction of the historic Timberline Lodge.

**Passport to the Forest:** All interested parties are invited to participate in a mobile conservation education program offered by personnel of the Zigzag Ranger District of Mt. Hood National Forest. The "Passport" is a mobile conservation education trailer focusing on four main subject areas: Botany, Fisheries, Wildlife, and Geology. The "Passport" can be set up with all four subject areas or individually to focus on one particular subject matter. All lesson plans are hands on, interactive, and designed with fun in mind to allow children to explore the natural world around them in a non-traditional classroom setting.
